1. The Declaration on each application for registration must be signed by the applicant (or his agent), this signature to be considered as endorsement of its correctness.
2. When applying for the registration of a dog already registered with any kennel club recognised by the Irish Kennel Club Limited
  - (a) the registered name of the dog must be retained, but if such name is similar to, or likely to be confused with one already registered with the Irish Kennel Club Limited the name shall on all occasions, be followed by an abbreviation for the name of the country in which the dog is registered;
  - (b) the certificate of registration, and, if applicable, the certificate of transfer in the owner/s name/s issued by the appropriate kennel club must be submitted to the Irish Kennel Club Limited for inspection when registration is applied for.
3. All dogs imported from outside Ireland must be identified by Microchip number and the official documentation supplied to us for inspection. To check the validity of a microchip number login to **www.dvc.services** and enter the microchip number. If the microchip is not valid please ask your Veterinary Surgeon to implant a compliant microchip as we cannot register a dog unless it has a valid microchip number.
