Notes - Important

1. (a) All applications for registration are subject to approval or rejection at the sole discretion of the Irish Kennel Club.
(b) The Irish Kennel Club reserves to itself the right to cancel the registration of a Prefix/Affix at any time.
2. A Prefix/Affix shall consist of one word only - a hyphenated word is not permitted.
3. In order to avoid delay, up to 5 choices should be indicated overleaf.
4. Applicants may submit names of houses, townlands, small towns or villages, with which they are connected, but "made up" words are preferable.
5. The Irish Kennel Club will not register as a Prefix/Affix an adjective or noun appropriate to a breed, the name of a county, large town or area, the name of a titled person, or, as a general rule a surname.
6. Prefix/Affix when granted cannot be used by any person -other than the person or persons in whose name(s) the Prefix/Affix is, for the time being, registered.
7. If the applicant has been granted a Prefix/Affix by any other recognised Kennel Club, full particulars should be given.
8. A word when registered can be used as either a Prefix or an Affix, but applicants should note that the use of a word as a Prefix is to be preferred, as this ensures that all dogs registered in the owner's name will then be grouped together in The Kennel Club records.
9. A Prefix/Affix, when registered, may be added to the name of a dog, which is already registered -Fee €22.00.

The Irish Kennel Club will not retain credit card information subsequent to processing payment.
